Our Charity: The Sunny Day Fund

The Sunny Day Fund was established by Legal Aid Center of Southern Nevada to cover expenses for everyday activities and supplies so that a child in foster care can have a semblance of normalcy and stability in their life. The 501(c)3 charity fund pays for critical requests that are not covered by the foster care system. Participate in our raffles, where 100% of the money raised will be donated to our charity. You get a chance to win some lovely prizes and help a local charity accomplish something very important.

In addition - please bring donations of books, coloring books and crayons suitable for children ages 4-8 years old.
