## Charity and Entertainment: Positively Arts

Positively Arts uses the arts as a vehicle to teach youth essential life skills by developing the confidence and resilience needed to excel in every aspect of their lives. Positively Arts has served over 25,000 students through arts and learning empowerment and mentorship programs and has provided \$200,000 in scholarship and tuition assistance for more than 10,000 low in-come and at-risk-students.

The young performers from Positively Arts have performed around Southern Nevada at some of the greatest venues including House of Blues, The Palazzo Theater, HyperX Esports Arena, and The Smith Center. Ranging from 8 yrs. to 18 yrs. old, they enjoy entertaining audiences and bringing smiles to people's faces, all while gaining confidence through self-expression. They are honored to perform for all of you today, and they hope to take you on a walk down memory lane with some classic tunes and family favorites!
