## SHOES THAT FIT

NEW SHOES make a big difference for children. NEW SHOES tackle the most visible signs of poverty. When children have shoes that fit, they can easily run, and jump, and skip. They can participate fully in sports and recess. They can enjoy all the typical experiences of childhood. They can learn, play, and thrive at school each day.

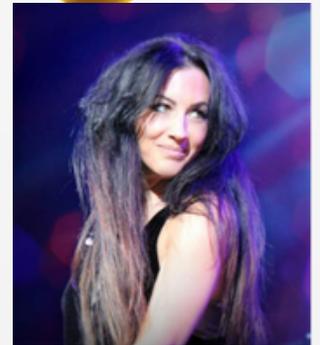

SHOES THAT FIT TACKLES THIS PROBLEM. THEY WILL OUTFIT EVERY CHILD AT JOHN DOOLEY ELEMENTARY SCHOOL IN HENDERSON WITH NEW SHOES AND SOCKS.

This school was chosen because they are a Title 1 school, every child receives a free lunch, and more than half the school population lives beneath the poverty line. Please bring fancy dancy shoelaces for the girls, and don't forget the boys, they need laces too.

**Dennis Blair** is an accomplished screenwriter, award-winning songwriter and comedic actor. He is probably best known for the caustic observations and musical satires of his live comedy performances. He has worked with multiple celebrities including Rodney Dangerfield, George Carlin, The Beach Boys, Melissa Manchester, Joan Rivers and many more.

**Stephanie Calvert** has a voice and a charisma that is meant to be at the front of a stage with a spotlight. A native of Las Vegas, she landed a spot in the classic rock band – Starship where she sang lead vocals along with Mickey Thomas for 15 years. She's been a featured performer in the Vegas staple, Raiding The Rock Vault, toured with The Righteous Brothers and co-hosts The Hang, at The Composers Room.
