USO Intermountain provides a home away from home and a sense of community for active duty troops, National Guard personnel, Reservist, and their families based throughout Nevada, Utah, Idaho, and Montana. We offer morale-boosting and family-strengthening programs, deployment and re-deployment support to help our troops adjust to the duty ahead, resiliency training, discreet and compassionate support for Families of the Fallen, as well as passenger terminal assistance for troops and loved ones alike. Since 2010, USO Intermountain has served more than 300,000 troops and their families.

Timothy Mullin will talk about the role of the USO in supporting our troops and their families as they deploy and come home.
