

Making A Difference

Membership Form

The Sun City Anthem Women's Club fosters meaningful community relationships, provides charitable contributions to Southern Nevada non-profit groups, and creates a spirit of camaraderie, friendship and informational opportunities for club members. The club's mission is accomplished through fun and innovative programs and events which are supported by our membership. Our luncheons are generally held on the second Thursday of the month (September through May) featuring local entertainment or speakers and to support local charities. We have monthly special events exploring many exciting venues and our members participate in charitable service projects in our community.
